Dear parent/caregiver,

A Special Religious Education (SRE) program is available at Deniliquin High School and taught by an authorised representative of an approved religious organisation. Students in Years 7 and 8 have the option to participate in the SRE program with Mrs. Penny Fowler. The series of lessons is grounded on a mainstream Christian ethos and implemented during one period on Fridays throughout the school year.

Additional details of the SRE program offered at the school are available from the SRE provider Penny Fowler. The program coordinator is Mr. Michael McKeon, Learning and Support Teacher.

If you wish your child to participate in SRE, please complete the attached permission note and return it to the Front Office.

Students continue in the same arrangement each year unless a parent/caregiver provides a written request to Mr. McKeon to vary their SRE nomination or withdraw their child from SRE. Students not involved in SRE pursue appropriate school activities including reading, typing, independent study or homework.

Thank you for your consideration.

Regards,

Michael McKeon
