### Business Arising from Previous Meeting:

- Casual Vacancies: Secretary – carried forward
- Trees – P and c to pay for advanced trees and Council will put them in. March timeframe. Sue contact Paul Hussey.
- Shade shelter – Will happen next school holidays. Many logistics to be worked out – location of plumbing etc
- Breakfast Club – No grants available. Cost of freight outweighs benefit of free food.
- School Magazine. Lisa is sorting out getting it to Year 12 students. Idea to perhaps sell at canteen for gold con donation. Set up kiosk down main street.

### Correspondence:

**In.** Term Deposit maturity notice and confirmation of new term.

**Out** Nil

### Reports:

- Treasurer - attached.
- Canteen – Canteen award on presentation day name not changed to Di Gallpen award so need to ensure this happens next year. Large sandwich press required. Need more than one quote and canteen staff to decide what suits best. Lacking volunteers – older ones have not returned post covid. Sub committee meetings always held Fridays as there are two volunteers.
- Driver Ed – Nil
- Principal - attached.

### General Business:

- **Term Deposit.** \$100,000.00 rolled over with Bendigo Bank and \$200,000 being established with AMP Bank for one year.

- **Wish list.** Maths faculty presentation by Tanya Momot re MangaHigh. Program much improved on version used a few years ago. Survey will be done on effectiveness. School likely to fund in future years if evidence there. No room in budget this year.

**Motion:** That the P and C pay for the MangaHigh subscription of \$4,250 for 2022.

Moved Julie Crockart                      Seconded                      Christina Mildren                      Carried.

- **Promotion of school and success of year 12s.** Need to capitalise on this. Put a letter to the editor in the paper from the P and C with more detail.
- **NSW student missing first round offers.** NESAs responsible for decision to postpone exams. Outcome of results released later meant NSW students missed out on first round offers in Vic. Disappointing that Cross Border commissioner took 3 weeks to respond to letter. Nothing can be done to help NSW students this year. Need to learn from experience. Lynda and Sue write a letter to NESAs.
- **Senior Jumpers.** Thanks to year adviser John Lethbridge showing the hockey jerseys the students would like - \$60 each. Style is different to Rugby jumpers- larger arms. P and C supportive as long as they continue to be worn with school shirts.

**Meeting closed :** 7.05 pm

**Next meeting:** 22/3/2022 6 pm. AGM followed by general meeting.
